

Join a Committee

- **Legislative** Monitor & discuss pending legislation that affects *your* industry and discuss where the committee stands on passage or defeat of legislation to present to the board. Planning of the annual Advocacy Conference.
- **Convention** Plan and host a convention & golf outing that provides both educational value and networking opportunities to the members.
- **Affordable Housing/Community** Educate and increase member awareness of existing affordable housing programs and resources to increase access to homeownership in underserved communities; identify and provide opportunities for members to earn CRA credits in their assessment area; work with stakeholders to identify new and unique ways to address home affordability in the state.
- **Education** Poll members and recommend topics for educational events. Provide annual required Continuing Education opportunities for Loan Officers. Assist with the planning of educational events for the annual convention.
- **Membership Value** Identify and reach out to prospective lenders, loan servicers and affiliated entities doing business in New York to expand the membership base to be representative of the \$166 billion mortgage business in the state. The larger the group, the stronger the voice.
- **Communications** Execute a marketing strategy clearly communicating and promoting the mission of NYMBA within the industry.
- **Loan Servicing** Create awareness of servicing issues in New York and resource training/educational opportunities. Works to improve the foreclosure process in New York; collaborate with regional MBAs, local task forces, municipal representatives and mortgage servicers showing commitment of our industry to follow maintenance requirements for vacant and abandoned properties in the foreclosure process; and sustain existing relationships and explore new partnerships to further our goal.
- **Technology** Bring forth evolving technology in the industry and how NYMBA can help members face challenges using technology.
- **PAC** The Political Action Committee (PAC) focuses on getting “a seat at the table” by attending events sponsored by legislators. New York is a state with robust legislative initiatives and PAC funds are an important component to accessing lawmakers and staying relevant in Albany.

Yes, my company is a member of the New York MBA & I'm interested in joining _____.
