

# JOIN A COMMITTEE

## MEMBERSHIP

Identify and reach out to prospective lenders, loan servicers and affiliated entities doing business in New York to expand the membership base to be representative of the \$166 billion mortgage business in New York State. Explore additional benefits to enhance membership.

## LEGISLATIVE

Monitor & discuss pending legislation that affects your industry and discuss where the committee stands on passage or defeat of legislation to present to the board. Planning of the annual Advocacy Conference & Lobby Day.

## PAC

Support the NYMBA Political Action Committee (PAC) which focuses on getting “a seat at the table” by attending events sponsored by legislators. New York is a state with robust legislative initiatives and PAC funds are an important component to accessing lawmakers and staying relevant in Albany.

## CONVENTION

Plan and host a state convention & golf outing that provides both educational value and networking opportunities for members.

## EDUCATION

Interact with members to identify educational topics/opportunities; plan & schedule educational events. Provide annual required Continuing Education opportunities for Loan Officers. Assist with the planning of educational events for the annual convention.

## COMMUNICATIONS

Execute a marketing strategy clearly communicating and promoting the mission of NYMBA within the industry via social media, email communications, the association's website and quarterly newsletters.

## AFFORDABLE HOUSING/COMMUNITY INVESTMENT

Educate and increase member awareness of existing affordable housing programs and resources to increase access to homeownership in underserved communities; provide opportunities for members to earn CRA credits in their assessment area; and work with stakeholders to identify new and unique ways to address home affordability in the state.

## LOAN SERVICING

Closely monitor legislative and regulatory matters impacting servicing, discuss position of industry, prepares letters in support or opposition. Support the industry as a whole on adverse legislation by preparing and submitting Amicus briefs. Collaborate with local task forces, municipal representatives and mortgage servicers showing commitment of our industry to follow maintenance requirements for vacant and abandoned properties in the foreclosure process. Continue to forge new partnerships & sustain existing relationships. Participate in the planning of the annual convention with servicing related topics.

## TECHNOLOGY

Bring forth evolving technology in the industry and how NYMBA can help members face challenges utilizing technology.
